

PETFIRST FIRSTCOVERAGE PET INSURANCE - POLICY TERMS AND CONDITIONS

For specific details about your FirstCoverage policy, please refer to the included Summary of Coverage or your most recent *Summary of Coverage* that we have since sent to you. This Policy contains a clause which may limit the amount payable. This refers to things such as a “co-pay” or a deductible. Refer to your *Summary of Coverage* where you will find your policy effective date and information on your selected options (including “your share” or the “co-pay” and the “deductible” amounts). Also, certain words have very specific meanings in this *Policy Terms and Conditions*; please refer to the *Glossary* for the definitions.

1. COVERAGE HIGHLIGHTS

Here’s where you’ll find useful information about the details of the insurance benefits we provide for your pet, as a direct result of an eligible accident or illness.

Benefit Maximum: We do not pay more than \$500 per accident incident or per illness condition to a maximum of \$1,000 per policy year.

There is no lifetime limit or cap that applies to your pet.

We pay a benefit when services are provided by any veterinarian licensed in Canada or the United States (when you and your pet are travelling in the United States.)

You must pay any co-insurance and deductible for all coverage.

Coverage Restrictions: We are unable to provide illness coverage for pets diagnosed with, tentatively diagnosed with, or showing clinical signs of certain critical illnesses or diseases prior to the coverage effective date, or within the fourteen-day waiting period for illness coverage. Chronic uninsurable conditions include, but are not limited to, congestive heart failure, Feline Immunodeficiency Virus (FIV), Feline Leukemia Virus (FELV), Feline Infectious Peritonitis (FIP), kidney failure and autoimmune diseases.

Subject to these terms and conditions, we cover the following medically necessary expenses required to treat illness(es) or injury to your pet caused by one or more accidents. To be eligible, the accident or illness must occur after the expiry of the waiting period and while your policy is in effect.

- Veterinary services:** Consultations, exams, emergency care, hospitalization, drugs, surgery, anaesthesia, specialist referrals and other medical procedures performed by a licensed veterinarian;
- Dental treatment:** Dental treatment of teeth and gums. We cover and pay for expenses required for the necessary extraction of traumatically fractured non-diseased teeth (does not include deciduous teeth) or teeth requiring extraction due to an abscess.

2. EXCLUSIONS – WHAT WE DON’T COVER

Knowing what charges aren’t eligible under your coverage is important. This can help you make decisions on responsible care for your pet’s health and well-being.

This part of your *Policy Terms and Conditions* describes what isn’t included under your coverage. If you have any questions, then please call us at 1-855-886-7387 and we’ll be happy to explain in more detail.

We do not cover, and we will not make payments for, any loss or claim resulting in whole or in part from, or contributed to by any of the following:

Pre-existing conditions

Excluded are conditions for which your pet showed symptoms, or that your veterinarian determines began prior to the end of the waiting period. When referring to exclusions or policy limits, bilateral conditions are considered as one condition (for example: cruciate ligaments, ear or eye problems).

Other excluded items:

Expenses for conditions that are excluded under this policy, or complications arising from, or related to, conditions or procedures excluded under this policy.

- Correctional devices or preventive products.

Certain older pets

Any pet dog aged 8 years and older (6 years and older for dogs of giant breeds), or any pet cat aged 8 years and older will not be approved for coverage unless we receive results proving that:

- Your pet is current with its recommended veterinary vaccines.

Cremation or burial of your pet.

Dental:

- Teeth cleaning or polishing.
- Treatment of tooth structure irregularities, improper bites, tooth pulp or root problems and removal of deciduous teeth or teeth affected by cervical neck lesions; or
- Endodontic and orthodontic care.

3. WHEN COVERAGE TAKES EFFECT

This section shows the waiting period that applies to your benefits. There is no coverage unless the accident or illness occur after expiry of the waiting period.

Coverage type	Waiting period
Accident	48 hours
Illness	48 hours

All waiting periods start at 12:01 A.M. on your policy effective date.

4. WHEN YOUR POLICY ENDS

Your policy and all coverage ends on the earliest of:

1. The date we terminate your contract in accordance with Section 5 (1) of the Statutory Conditions because you have not paid your premium when due;
2. The next month's payment due date following the date we receive your cancellation request; and
3. The date your pet passes away.

5. YOUR OBLIGATIONS

Below we describe your responsibilities in paying for coverage and sharing costs.

The Cost

The cost for your PetFirst FirstCoverage policy is the premium. You must pay the premium that applies to your policy to keep it in effect. The amount of the premium can be determined by reviewing your *Summary of Coverage*. Premiums are due monthly on each day of the month that corresponds to your policy effective date.

Your Share and Your Deductible

This section explains the amount that we reimburse you, and how much you pay.

You participate in coverage costs by paying a percentage of the cost of care (your "Share"). In insurance-speak, this is often called 'co-pay or 'co-insurance'.

You also pay a deductible. Both your share and your deductible are shown on your *Summary of Coverage*.

Your Share

Your Share is:	We Reimburse:
10%	90%

Please bear in mind that:

- Your share is applied first, followed by your deductible.
- The deductible is a per incident amount on accidents and per condition amount on illness.
- You never pay the deductible unless your pet actually needs veterinary care and you have to make a claim request.
- Taxes are included in the amounts paid back to you under your coverage.

Your Deductible

Per Incident	Per Condition
\$100	\$100

6. CLAIMS

Here is where you'll find information about how to submit your claim and what you need to do prior to making a request.

Your claim is a priority at PetFirst. We endeavour to process all claims – whether simple or complex – within five (5) working days. You'll hear from us if there's any delay, such as needing to contact your veterinarian directly for more information.

Two of the most common problems that can delay reimbursement requests are:

- Forgetting to get your veterinarian's signature and practice information on the claim form; and
- Failing to provide all eligible receipts.

Financial responsibility: You must pay your veterinarian first for all services and treatments, and then submit a claim form. We'll reimburse you for all eligible costs based on the specified amounts and coverage outlined in this document.

Claim forms: These are typically available from your veterinary clinic, on our website or by calling one of our representatives at 1-855-886-7387.

How to submit a claim: You and your veterinarian must fill out and sign our claim form. Forward the completed form together with itemized receipts for the pertinent costs. You may submit claim forms by mail, fax or email to the address below:

- Mailing address: 2-1115 North Service Road W. Oakville, Ontario L6M 2V9
- Toll-free Phone #: 1-855-886-7387 (general and claims information)
- Toll-free Fax #: 1-855-366-1212 (claims/reimbursement requests)
- Email: petfirst@rsagroup.ca

Before you submit: To avoid processing delays, please ensure that the reimbursement request form includes all the following.

- Your name, correct mailing address, signature and policy number;
- Your veterinarian's signature and practice stamp;
- The name of the injury eligible for reimbursement, completed by your veterinarian; and
- Is accompanied by all paid-in-full receipts (including an itemized breakdown of charges).

When claim submissions are eligible: We only pay claim requests that we receive no later than 6 months from the treatment date or within 60 days of the date your policy terminates.

Costs must be incurred while your policy is in effect, and after the waiting period has expired.

Ineligible claim charges: We do not reimburse you or your veterinarian for administrative tasks like completing any form or sending us medical records, even if your veterinarian chooses to bill you for this.

Other claim rules: We are unable to process claim requests if your premium isn't up to date when you make the request.

Reimbursement for charges that you pay in U.S. currency will be adjusted to be in Canadian dollars without applying any currency conversion exchange. For example, \$800 in U.S. charges will be considered as \$800 in Canadian funds. We do this because premiums are paid with Canadian dollars and are set based on Canadian veterinary charges.

Insurance fraud hurts all pet owners! So, if we discover that you've made a false or exaggerated reimbursement request, your coverage will be cancelled immediately.

7. LEGAL STUFF

We understand that reading legal documents isn't fun. However, it's still vitally important that you understand your coverage, rights and legal responsibilities.

Changes: We will advise you of any changes at least 30 days in advance.

You can also apply for changes to your coverage at any time. If approved, these changes will take effect on the next month's payment due date following the date we receive your change request. We will send you a new *Summary of Coverage*.

Changes also include upgrading or downgrading to a different coverage option and where there is a change in your address that affects your premium.

Downgrading and Upgrading Coverage: You can change to one of our available plans with a higher or lower limit on your policy anniversary. In the event that you opt to transfer your insured pet to a program with higher benefits, the maximum benefit payable with respect to an illness or injury will be restricted to the maximum benefit payable under the policy that applied during the period in which such illness(es) or injury was first noted; diagnosed; or treated. If the level of coverage is lowered, the lower maximum benefits will apply.

There are some limitations and exclusions that apply to these requests. One of our representatives would be happy to explain these options to you.

Cancellation: You must ask to cancel this coverage in writing by mail, fax or e-mail. Cancellation will take effect on the next month's payment due date following the date we received your cancellation request. If your pet passes, we'll automatically backdate your cancellation to the date on which they passed.

We know we have a great product, but if for some reason you decide to cancel your coverage, you have 30 days from the date you complete and submit your application to cancel without any financial obligation, and in the event that you notify us to cancel within that period, we will refund any part of the premium that you have paid and your policy shall be void as long as we have not reimbursed you for any claims.

Other Coverage: The coverage outlined in this policy is second payor. That means that if there are other insurance plans, or contracts, or any plan, providing you an indemnity in respect of your pet for veterinary or therapeutic expenses, we only pay for expenses incurred in excess of what is reimbursed under such other coverage. Total benefits paid to you under all plans cannot exceed your actual expenses.

E-mail notification: You can agree to receive your policy documents and notices electronically. If so, we'll consider those items as received by you on the date they are sent to the last verified e-mail address we have on record in our system.

Governing laws: Your PetFirst FirstCoverage policy is subject to all applicable Canadian laws.

Insurance contract: Your contract with us includes your application for insurance, these *Policy Terms and Conditions*, your *Summary of Coverage*, as amended from time to time in accordance with the policy terms and conditions, any document attached to the Policy Terms and Conditions, when issued, as well as any amendments agreed or provided in writing after the policy is issued. The contract also includes any trial coverage or vouchers you may have held with us prior to our issuing of the policy.

Legal actions: We have the right to subrogate. This means that if someone else is found to be responsible for an accident for which we pay an amount, we have the right to legally pursue them, in your name, and recover any incurred amounts that we paid. You must help us, if we ask you, by executing such documents as are necessary and by cooperating with us.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred, unless commenced within the time set out in the *Insurance Act* or other legislation applicable in your province.

Rights of recovery: You must fully comply with all terms and conditions of your contract. You may only start legal action against us within one year after you have provided us with written proof of loss. You also have up to one year from the date we require written proof of loss to take legal action, in order to recover a reimbursement amount under this coverage.
